SPEAKERS

Barry Borneman is the CEO of Wycliffe Australia. Today Wycliffe Australia has over 250 Aussies in 20+ countries around the world, helping local communities to translate, to read, and to hear and understand the Bible in their own heart language. Barry is a typical Aussie guy who's desire is to see people do what they can where they are.

Geoff Hall is the founder and director of 28/19 On Screen Productions. The aim of 28:19 OSP is to provide video production for Christian mission agencies.

Glenda de Jager is the National Director of Mukti Australia. Mukti is a ministry to abandoned girls in India.
